

# Welcome to Year One

This half term our big question will be 'Where on Earth are we?'. We will be learning about maps and globes and using them to locate where we live on planet Earth.

We will be improving our drawing skills, learning about materials in science, exploring what it means to be me in PSHE and learning who people of the Christian faith believe created the world.

Ways you can help your child to make good progress at school:

\*Read each school reading book with your child at least three times per week and record this in their reading diary.

\*Find ways to get counting, number recognition and simple calculation into daily tasks.

\*Make sure your child has everything they need to be warm and comfortable at school (please get in touch if you are having trouble with this).

\*If you are providing additional snacks, please ensure they are healthy ones.

\*Arrive before 8:55am to ensure a smooth start to the day.

Staff in Year One:

	Morning	Afternoon
Monday	Mrs Tomkins - Teacher Mrs Trapp - TA	Mrs Tomkins - Teacher Mrs Trapp - TA
Tuesday	Mrs Tomkins - Teacher Mrs Trapp - TA	Mrs Tomkins - Teacher Mrs Trapp - TA
