

What are we learning in Reception this term?

Spring Term - January 2025

Dear Parents/Carers and children,

This term we will be learning about:

What's here?

We will learn about our local area. The main topics covered will be:

- Seasonal changes – winter and spring.
- Our local area – main features e.g. shops, houses, roads, woods, river etc.
- Local occupations with a focus on people who help us e.g. nurse, police etc.
- Homes in the past – how were they different to our homes today?
- Woodland animals
- Farm animals and the food they provide.
- Local trees and flowers.

PE

Our PE days will be on Mondays and Fridays so the children can come to school in their PE clothes.

If you have any questions or concerns, please send me a message on Seesaw so that these can be addressed quickly.

Many thanks

Miss Martin & Mrs Feakins
